About Us

Company Overview:

PROACTIVE GROUP is a diversified business group offering integrated solutions across Business & IT Consulting, Global Trade, Distribution, Sourcing, and Logistics. With over a decade of experience and operations across 6+ countries, we enable startups, SMEs, and enterprises to expand globally with speed, efficiency, and confidence. Our ISO 9001:2015 certification, D-U-N-S® registration, and Government of India recognition reflect our commitment to quality, integrity, and long-term value creation. Whether it's market entry, digital transformation, cross-border trade, or end-to-end supply chain support, we deliver practical, performance-driven solutions aligned with your business goals.

Our Vision:

To build a globally trusted, innovation-driven enterprise that simplifies business, empowers growth, and delivers excellence across industries, borders, and value chains. We aim to be the first choice for clients seeking agile, end-to-end solutions that are strategic, sustainable, and future-ready.
